pay to unblock your partner's suit until Country Nutmegger, Thomas Inglis, A. you know whether or not you will want to get the lead in it yourself. Here

lead. Y and Z want five tricks agains any defence.

The apparent solution, and the one which a number of correspondents sent in as their idea of the problem, was for Z to get out of his partner's way at once by leading the king of spades, putting B in with a club, so that after B makes the ace of hearts he will have to give Y all the rest of the tricks.

The defence to this attack is to give T the spade tricks first, so as to make both ace and queen of hearts later.

The correct solution is for Z to lead leads the four of clubs and Y discards kings on 6 and 11.

the king good in Y's hand, so he must coming in, but the reasons given for the overtake Z's king or he will make A's more ingenious than scientific. which Y discards the ten of hearts.

Here is another problem by the same composer, whose offerings are always popular and interesting, besides being instructive as examples of the deeper passes the bottom of the circuit at E and approaches the position A, travel-ling toward C, the spring can bend away from its support and allow the

weight to fall within the are of the circle described by the weight B.

It is obvious that if the two weights are started in the position shown, or with the weight B higher up, the greater leverage of B will lift A.

As originally proposed, this puzzle had four arms, but it is much simpler with two only. The question is, What will happen when the weight B gets weight A past the centre at the top, so that the weight A shall be thrown our straight by the strength of the spring and shall follow the course of the weight B. while B falls within the arc of the circle as it rises in the posision for-merly occupied by A?

Special Train to California.

Albert Dellevie, manager of the Cal fornia Exposition Tour Company, 1472 Broadway at Forty-second street, New York, has completed arrangements for a select fall tour to California leaving Nov. 4. The "Special Train" will consist of the highest grade all steel Pull-man equipment, including baggage, diner, open section, drawing room, compartment and observation car. The latter will be at the disposal of every individual on the train. The train will be accompanied by and under the personal supervision of one of Mr. Dellevie's expert conductors, who is thoroughly conversant with all the scenic features and hotels en route, and who will be at the disposal of the party daily.

THE PICTORIAL MAGAZINE Among the beautiful pictures reproduced by the photogravure process

will be: Grandchildren of Presidents. The third generation of the Wilsons, Tafts and Roosevelts.

Here and there on Europe's fighting lines-striking photographs of the Busy days in the American Embassy at Berlin. The American occupation of Hayti. Views of the interior of the luxurious Bankers' Club.

Beautiful country homes. Striking scenes from the current stage offerings.

Double Southampton wedding.
